Presidents Message

Time flies by when you're having fun!! Here we are, almost half way through the season and it's the first time I'm writing to you.

The Board, Janice and I have been working hard to provide experiences to keep you smiling.

This sometimes is harder than you think - and definitely time consuming. It's all good. It's part of the job and is expected. I'm hoping we can exceed those expectations. That can't be done without positive constructive input from you - the membership. Please bring on comments to help us to help you!

Thanks for the support. I look forward to continuous improvement. It's just a game, but one that we love. Let's all do our part in bringing positive solutions.

Please feel free to contact me directly at president@portmoodycurling.ca with comments.

All the best. Hurry Hard!!!

David Cousins

2024 Affiliation Fees

Curl BC is increasing the individual affiliation fees for the 2024 - 2025 season. In the 2024-2025 season there will be an increase of \$2 in the individual affiliation fee raising it to \$20. This will be followed by an additional increase of \$1 for the next two seasons.

The Curl BC affiliation fee is part of your annual membership fees that are collected when you register through Curling I/O.

Curl BC affiliation fees

1. 2023-24 = \$18
2. 2024/25 = \$20
3. 2025/26 = \$21
4. 2026/27 = \$22

As of now there has been no notice about the Curling Canada fees increasing but I will keep you posted.

Grippers

When did you last check your grippers? It's a good time to look and determine if you need to purchase new ones. Unfortunately, they wear down and/or the material can breakdown. Have a look at the video below for tips on when your gripper needs to be replaced.
